

Gardening & Landscaping Professional Profile

Founder, BaagMitra | Jaipur, Rajasthan

30 YEARS OF HANDS-ON EXPERIENCE

Gardening and landscaping professional with 30 years of practical experience in landscape design, site management and garden maintenance. Experience includes educational campuses, hospitality, a farmhouse, a marriage garden and large landscaping projects in and around Jaipur. Brings strong plant knowledge and an understanding of the tools and inputs needed to create and maintain green spaces.

CORE EXPERTISE

Landscape design & site management - Planning green spaces and managing landscaped sites.

Plant knowledge & maintenance - Understanding plants, their selection and ongoing care.

Gardening tools & inputs - Practical knowledge of tools and materials used in garden creation and upkeep.
